## **Abstract**

Siran Upendra Deraniyagala (1942 - 2021), pioneer Sri Lankan prehistorian and archaeologist published his scholarly work in diverse venues. In this document, the disseminated work of Siran Deraniyagala is compiled as a bibliography. Books, journal articles, book chapters, which incorporate accounts of Sri Lanka's prehistory comprise the valuable academic work of Siran Deraniyagala. Administration reports composed when he served as the Director General of the Department of Archaeology in Sri Lanka and several Sinhala publications, presentations and lectures are also included in this bibliography.
